

Primary Relationships and Sexuality Education Workshops

PDST are offering RSE workshops in your area again this term. The course will take place over two afternoons; it is necessary for the same teacher to attend on both afternoons. The focus of the course will be primarily on teaching the sex education elements of RSE from Senior Infants to Sixth class, in the context of Social, Personal and Health Education. The course will be experiential and practical in its approach.

The seminar will include:

- An overview of RSE as an aspect of SPHE
- The role and function of an RSE policy
- Methodologies for teaching RSE
- Creating a safe classroom environment

Participants are asked to bring along their own copies of the four RSE books entitled: "Resource Materials for Relationships & Sexuality Education".

Schools are invited to nominate one or two teachers to attend the training. The groups will be limited to 25 participants and places will be allocated on a first come first served basis.
